

An Exceptional Summer, an Extraordinary New Year

Summer 2018

Dear Friends,

So many lives have been changed by ENP, each a remarkable story. Read below to get a taste of just some of the life-changing opportunities ENP has been so fortunate to be able to provide this summer, and all year long. I've been so moved-- I know you will be, too. Please accept our deepest gratitude for enabling us to change lives and better futures.

Thank you! *Shana tovah v'metuka!*

Ziggy Marley Meets ENP Youth

What do Ziggy Marley, Ben & Jerry's ice cream, and Ethiopian-Israelis have in common? The answer came at Ziggy's performance at the Shuni Amphitheater on August 1st 2018, where he wowed not only the audience, but also inspired a small group of teenagers, invited backstage by Marley as participants in the Ethiopian National Project. Marley's advice, to "work hard and focus on education!" resonated with the ENP SPACE participants, as they all agreed in unison that the interaction with Marley "has changed the way we think about school..."

Summer Camps in US and Israel Transform ENP Participants

Countless Jewish children's lives have been transformed by summer camp: this summer, seven ENP SPACE participants were given the opportunity to experience this once-in-a-lifetime experience. Summer camp changed not only their lives, but those of all the campers who had the opportunity to share the experience with them: ENP expresses its deepest gratitude to Camp Young Judaea in Texas, Surprise Lake Camp in New York state and Camp Kimama in Israel, this year's pilot locations for an unforgettable summer.

ENP's deepest gratitude is extended to the Jewish Federation of Greater Houston, whose vision and support enabled ENP to pilot "ENP Bridges", of which one crucial component is summer camp attendance for a select few, as part of ENP's innovative spoken-English program.

Do you know a summer camp that would love to host ENP campers? [Be in touch](#) and make the connection, so even more ENP SPACE participants can attend camp in the summer of 2019.
