

Autumn Has Arrived, And So Has Great News From ENP!

Friends,

This fall, we already have experienced so much. We have experienced pain, and our hearts remain with those affected in Pittsburgh and so many in California. We have been excited as school started and our SPACE program kicked off for the year. We have celebrated Sigd - a traditional Ethiopian Jewish holiday to celebrate the Torah, fast, and pray. And there is so much more that we have done to share with you. Read about some of what we've been up to below.

Ice Cream, Coffee Beans, the GA - Oh My!

The GA is always an exciting event for ENP, This year, guests at our booth had the opportunity to read our 2018 Annual Report - and all about the work we've been doing. We had a coffee bean contest, and the winner took home an authentic *buna* set. We even had Ben&Jerry's come with their flavor One Love to hand out!
