## Celebrating the End of A Successful Semester!

Dear Partners and Friends,

We want to thank you for your endless support as we conclude yet another successful semester. In a post-Corona era we are able to host our partners who come from all over the world to see the critical work that is being done in the field. Not only do we appreciate your support, but it is an absolute pleasure to host you face-to-face and have our students share firsthand how much ENP programs have impacted their lives.

Students continue to ask questions, speak out for help when needed, and engage with their ENP teachers and fellow students. Each day, we strengthen the Ethiopian-Israeli community to uplift the next generation of leaders.

Sincerely,

Roni Dessie Akale  
Director-General, Ethiopian National Project

## Ti'ud Participants Experience a Taste of Ethiopia in Beit She'an!

As part of ENP's Ti'ud documentation program, which aims to share the remarkable story of the Ethiopian Jewish journey to Israel, over 50 ENP students visited the Ethiopian Experience Center in Beit She'an. Led by Ethiopian-Israeli community leader, Chava, the students learned about Ethiopian history by hearing Chava's journey to Israel, learning about ancient Ethiopian Jewish traditions, and enjoying a beautiful traditional Ethiopian meal. The students were in awe as they learned about their strong-willed and resilient community.
